5.00pm – 7.00pm  
28<sup>th</sup> October to the 1<sup>st</sup> November  
- Half Term  
4<sup>th</sup> November – Return to school

## Castle Class News

We have had an amazing start to the term in Castle Class. our Nursery and Reception children have settled in brilliantly, showing kindness, patience and a wonderful interest in learning. Our KS1 theme is Who Am I ? and EYFS are following Nice To Meet You. So far, we have been sharing who is in our family as well as our likes and dislikes. We would love some more photos for our family board please. if you have any family photos to share, please email them to the office and we will print them.

We have also been discussing how the school has changed and if school was different for our parents. Year 1 and 2 children will have some questions to ask you. We have been practising interviewing and asking questions in class.

We are very much looking forward to an exciting term. Look out for information about our Harvest festival, Halloween disco and lots of sporting competitions.

## Sail Class News

It's been a great start to the year in Sail Class! We kick-started our Amazing Amazon topic by making Ancient Maya masks and learning about the Ancient Maya civilisation. In history we have learned about the innovative farming techniques the Ancient Maya people used and how they thrived as a civilisation. In our DT lessons, we have been learning about where our foods come from and how different foods are grown and produced in temperate and tropical climates. We have discovered which foods come from the rainforest. In Science, we are investigating states of matter and the different properties of solids, liquids and gases. The children are enjoying their PE lessons with Go Active, including a fun 'street surfing' lesson.
