Nursey News

Reception and Nursery have had a really good week with lots of mark making, finger painting, and making repeated patterns.
Class News

Castle class have had lots of fun in computing creating pictures of a sun flower using dots. They have also enjoyed getting festive and getting the classroom ready for Christmas. They decorated our class tree and created snowmen and snowflakes for our winter display. Finally, a big well done to all the children in castle Class who have been hard at work practicing for their nativity.

After some discussion and a very democratic vote, the children have decided they would like a new name for our class. Ship class has now been renamed Sail class. We have been very busy over the last few weeks. We acted out an air raid, with a little bit of giggling, created posters with instructions of what to do when you heard an air raid siren and explored what we would need to build our own version.

The children have written some amazing poetry about the experiences of World War II soldiers. The vocabulary used was fantastic, amazing description and emotion coming through!

We will be continuing our topic through to the end of term but we are also very much looking forward to the Christmas activities planned.
